Old-Time Paper Doll Cards

Paper Doll Gifts shown include one doll, backed with flannel, four changes of clothing, a hat to match one of the dresses and a little kitty to be at her feet. A brief history of Paper Dolls is inside the card, which you can use for safe-keeping for the doll and her clothing. The gift set also includes a mailing envelope so that you can surprise someone special.

All gift sets shown are individually hand cut and made from Aunt Lindy's Fabric. Paper Dolls are 8" high. The pieces are backed with flannel so that the clothing will stick to each doll. Clothing on some dolls is interchangeable.
